Kind Applauds Community Effort to Help Tsunami Victims

Washington, DC – U.S. Rep. Ron Kind (D-WI) today applauded local efforts to provide humanitarian relief to help the victims of the December 26 earthquake and tsunami in Southeast Asia. Kind released the following statement today after a coalition of area businesses, health care organizations, schools, churches and chambers of commerce announced a community-wide fund-raising effort to raise relief aid:

“The Tsunami Relief Fund is an incredible coalition project to help bring much-needed humanitarian relief to the victims of the Southeast Asia earthquake and tsunami. While we can never bring back the lives lost in this horrific natural disaster, this community can help rebuild the lives of those who survived. I am proud to support this effort, and my office will continue to assist in any way possible.”
